MEASURE STEWARD LICENSES AND DISCLAIMERS

For the National Committee for Quality Assurance (NCQA) measure in the technical specifications for Base monitoring metrics for Medicaid section 1115 demonstrations

Content reproduced with permission from *HEDIS MY 2025 Volume 2: Technical Specifications for Health Plans* by the National Committee for Quality Assurance (NCQA). The HEDIS® measures and specifications were developed by and are owned by NCQA. The HEDIS measures and specifications are not clinical guidelines and do not establish a standard of medical care. NCQA makes no representations, warranties, or endorsement about the quality of any organization or physician that uses or reports performance measures and NCQA has no liability to anyone who relies on such measures and specifications. NCQA holds a copyright in these materials and can rescind or alter these materials at any time. These materials may not be modified by anyone other than NCQA. Use of the *Rules for Allowable Adjustments of HEDIS* to make permitted adjustments of the materials does not constitute a modification. Anyone desiring to use or reproduce the materials without modification for a non-commercial purpose for requesting section 1115 demonstrations may do so without obtaining any approval from NCQA. Any commercial use and/or other internal or external reproduction, distribution and publication must be approved by NCQA and are subject to a license at the discretion of NCQA. © 2026 NCQA, all rights reserved.

The measure specification methodology used by CMS is different from NCQA's methodology. NCQA has not validated the adjusted measure specifications but has granted CMS permission to adjust. Calculated measure results based on the adjusted HEDIS specifications may be called only "Uncertified, Unaudited HEDIS rates."

Measures in the CMS section 1115 demonstration contain HEDIS Value Sets (VS) developed by and included with the permission of the NCQA. Proprietary coding is contained in the VS. Users of the proprietary code sets should obtain all necessary licenses from the owners of these code sets. NCQA disclaims all liability for use or accuracy of any coding contained in the VS.

Limited proprietary coding is contained in the measure specifications for convenience. NCQA disclaims all liability for use or accuracy of any third-party code values contained in the specifications.

practice medicine or dispense medical services. The AMA assumes no liability for the data contained or not contained herein.

The American Hospital Association holds a copyright to the Uniform Billing Codes ("UB-04") contained in the measure specifications. The UB-04 Codes in the HEDIS specifications are included with the permission of the AHA. All uses of the UB-04 Codes may require a license from the AHA. Specifically, anyone desiring to use the UB-04 Codes in a commercial product to generate HEDIS results, or for any other commercial use, must obtain a commercial use license directly from the AHA. To inquire about licensing, contact ub04@aha.org.

MEASURE RATE NOTICE

The state must prominently display the following notice on any display of Measure rates:

Measure PCR-AD (Metric BA_7) is a Healthcare Effectiveness Data and Information Set ("HEDIS®") measure that is owned and copyrighted by the National Committee for Quality Assurance ("NCQA"). NCQA makes no representations, warranties, or endorsement about the quality of any organization or physician that uses or reports performance measures and NCQA has no liability to anyone who relies on such measures and specifications.

The measure specification methodology used by CMS is different from NCQA's methodology. NCQA has not validated the adjusted measure specifications but has granted CMS permission to adjust. Calculated measure results, based on the adjusted HEDIS specifications, may be called only "Uncertified, Unaudited HEDIS rates."

Certain non-NCQA measures in the CMS section 1115 demonstration contain HEDIS Value Sets (VS) developed by and included with the permission of the NCQA. Proprietary coding is contained in the VS. Users of the proprietary code sets should obtain all necessary licenses from the owners of these code sets. NCQA disclaims all liability for use or accuracy of the VS with the non-NCQA measures and any coding contained in the VS.
